PRESS RELEASE

NIRDPR Launched National Level Training of Trainers Program For Localization of Sustainable Development Goals

Hyderabad, 12th July 2022- A national level Training of Trainers (ToT) Program for Localization of Sustainable Development Goals (LSDG) has been inaugurated today at NIRDPR, Hyderabad by Dr. Chandra Shekhar Kumar, IAS, Additional Secretary, Ministry of Panchayati Raj (MoPR) Government of India

To deliver on SDGs at local level by the 2.54 lakh Gram Panchayats in the country, the expert committee constituted by the MoPR recommended 9 thematic areas along with 168 local targets and 389 indicators. Now the Gram Panchayats while formulating the Panchayat Development Plan (GPDP), will have to take into account the local contexts in the achievement of SDGs right from setting targets to determining the means of implementation and using indicators to monitor the progress.

For Capacity Building & Training of Panchayats for LSDGs, NIRDPR has developed a training calendar to train 200 State Level Master Trainers (SLMT) in each theme in 40 batches @ 50 persons per batch. The first batch of ToT program on “Theme 1- Poverty Free & Enhanced Livelihoods Villages” is scheduled from 12 - 14 July 2022. A total number of 34 participants from four states viz., Andhra Pradesh, Karnataka, Madhya Pradesh and Maharashtra are attending this program

At the outset, Dr. Anjan Kumar Bhanja, Faculty & Head, CPRDP&SSD, NIRDPR welcomed the participants and explained the back ground and objectives the training of the SLMTs. Especially he highlighted the thematic approach to GPDP. He also mentioned about the joint advisories issued by the 24 Ministries for LSDG

Shri Shashi Bhushan, ICAS Deputy Director General, NIRDPR delivered the key note address. He said the LSDG guidelines of MoPR provide the directions for identification and prioritization of issues perceived by the local community, ideation of context specific solutions and better utilization of available funds through convergent action. He hoped that this ToT

program will develop a common understanding about their responsibilities in developing capacity of trainers down the line through cascade mode

While inaugurating the program, the Additional Secretary, MoPR stated that NIRDPR will develop a portal for maintaining the database of SLMTs and to track the field level trainings conducted by them. He said each Gram Panchayat shall take a “Sankalp” on minimum one and maximum 3 themes to saturate on related goals in next 2-3 years

It is expected that this residential ToT Programme will enrich the resource persons with substantial knowledge, skills and attitude, about the rationale and policy of thematic approach to mainstreaming of LSDGs in Panchayats. After completion of ToT of SLMTs, each state will conduct cascading mode of trainings in all the districts and deliver field training to Panchayat functionaries and other stakeholders on LSDG. The Panchayats being the nearest institutions to villagers will design and implement locally relevant policies aligned with SDGs for achieving sustainable development in rural areas

About NIRDPR

The National Institute of Rural Development and Panchayati Raj (NIRD&PR), Hyderabad an autonomous organization under the Union Ministry of Rural Development. It is a premier national centre of excellence in rural development and Panchayati Raj. Recognized internationally as one of the UN-ESCAP Centres of Excellence,

As a “think-tank” for the Ministry of Rural Development, and the Ministry of Panchayati Raj, NIRDPR act as a repository of knowledge on rural development and assist the ministries in policy formulation in rural development to usher in the changes. NIRDPR builds the capacities of rural development functionaries, elected representatives of PRIs, bankers, NGOs and other stakeholders through inter-related activities of training, research and consultancy.

The focus of the institute is on the policies and programmes that benefit the rural poor, energize the democratic decentralization processes, improve the operational efficiency of rural development personnel, promote transfer of technology and create environmental awareness. In addition to the main campus at Hyderabad, this Institute has North-Eastern Regional Centre at Guwahati, Assam to meet the NE-regional need

ToT program for LSDGs inaugurated at NIRDP

Hyderabad, July 12 (UNI): A national level Training of Trainers (ToT) program for Localization of Sustainable Development Goals (LSDG) has been inaugurated today at NIRDP by Dr Chandra Shekhar Kumar, Additional Secretary, Union Ministry of Panchayati Raj.

To deliver on SDGs at local level by the 2.54 lakh Gram Panchayats in the country, the expert committee constituted by the MoPR recommended nine thematic areas along with 168 local targets and 389 indicators. Now the Gram Panchayats, while formulating the Panchayat Development Plan (GDP), will have to take into account the local contexts in the achievement of SDGs right from setting targets to determining the means of implementation and using indicators to monitor the progress.

For capacity building & training of panchayats for LSDGs, NIRDP has developed a training calendar to train 200 State Level Master Trainers (SLMT) in each theme in 40 batches at the rate of 50 persons per batch. The first batch of ToT program on "Theme 1- Poverty Free and Enhanced Livelihoods Villages" is

scheduled from July 12 to 14. A total of 34 participants from four States viz., Andhra Pradesh, Karnataka, Madhya Pradesh and Maharashtra are attending this program.

At the outset, Dr Anjan Kumar Bhanja, Faculty & Head, CPRDP&SSD, NIRDP welcomed the participants and explained the back ground and objectives the training of the SLMTs. He also highlighted the thematic approach to GDP and mentioned about the joint advisories issued by the 24 ministries for LSDG.

Shashi Bhushan, ICAS Deputy Director General, NIRDP, said the LSDG guidelines of MoPR provide the directions for identification

and prioritization of issues perceived by the local community, ideation of context specific solutions and better utilization of available funds through convergent action. He hoped that this ToT program will develop a common understanding about their responsibilities in developing capacity of trainers down the line through cascade mode.

While inaugurating the program, the Additional Secretary, MoPR stated that NIRDP will develop a portal for maintaining the database of SLMTs and to track the field level trainings conducted by them. He said each Gram Panchayat shall take a "Sankalp" on minimum one and maximum three

themes to saturate on related goals in next two to three years. It is expected that this residential ToT program will enrich the resource persons with substantial knowledge, skills and attitude, about the rationale and policy of thematic approach to mainstreaming of LSDGs in Panchayats. After completion of ToT of SLMTs, each State will conduct cascading mode of trainings in all the districts and deliver field training to Panchayat functionaries and other stakeholders on LSDG. The Panchayats being the nearest institutions to villagers will design and implement locally relevant policies aligned with SDGs for achieving sustainable development in rural areas.
